

CLASS™ INFANT OBSERVATION (RELIABILITY) TRAINING

February 9 & 10, 2017

8:30 AM – 5:00 PM EACH DAY

LUNCH IS ON YOUR OWN

Southeast Continuing Education Center

301 South 68th Street Place

Lincoln, NE 68510

*\$175.00 Nebraska Residents**

During this two (2) day session participants will gain an understanding of the CLASS, the domains and the teacher-child interactions that support children's learning, and learn to code using video observations. Completion of the online reliability test with 80% accuracy will allow participants to conduct CLASS observation in classrooms.

** The registration fee includes 2 training days, the CLASS™ manual, the score sheet booklet, and online access to practice videos and the reliability test.*
